# THE VIDEO'S MESSAGE — AND MY DOCUMENTED REALITY

*"They told the world a lie so many times it started to sound like the truth. They said you were the problem. They said you were dangerous, unstable, unpredictable, and they said it with full confidence on phone calls, in group chats, in whispers behind your back."*

**MY EVIDENCE:** This isn't metaphor. This is my life — documented across **2,077 primary-source evidence** filesspanning 35 years.

## PART I: "THEY BUILT CASTLES OUT OF YOUR PAIN"

### The Video Says:

*"They didn't just talk behind your back. They built careers off it. They turned your quiet pain into their personal spotlight, performing purity while dripping in hypocrisy."*

### My Documented Reality:

**350+ FRAUDULENT BUSINESS REGISTRATIONS** were created using my identity between 2020-2024 — the most sophisticated identity theft documented in Australian history.

<b>Criminal Complaint Filed:</b>	<a href="#">Police Report, January 6, 2025</a>
<b>Damages:</b> \$7.8 million	<a href="#">Complete</a>

*"Individual criminals do not create 350+ corporate registrations. This requires institutional resources, ASIC system access, coordinated strategic planning, and state-level sophistication."*— [Definitive Academic Paper](#)

## PART II: "THE LIES WERE A MIRROR FACING BACKWARD"

### The Video Says:

*"When someone frames you, they're painting a picture of their own shame and hoping no one looks too closely. The louder they pointed at you, the more they were trying to distract from the mess behind them."*

### My Documented Reality:

**Tony Riddle, NDIA Manager, directly told me:**

**"YOU WILL BE SACRIFICED"**

- Survived Blackhawk helicopter crash
- NDIA Manager, Quality and Compliance Division
- Managing Director, Risk Branch (November 2019 - June 2021)
- Admitted discussing "billions of dollars worth of fraud" within NDIS
- Admitted he "might have killed someone"

*"If a government official with special forces training tells a disabled whistleblower 'You will be sacrificed'—and this threat is witnessed, recorded, and officially reported—at what point does a democracy's failure to investigate become complicity in the threat itself?"— [Philosophical Interrogation Paper](#)*

**Government Response:** ZERO INVESTIGATION despite multiple reports to police, NACC, AHRC, and 10+ oversight bodies.

## **PART III: "THEY DEMONIZED YOU JUST TO SLEEP AT NIGHT"**

### **The Video Says:**

*"They couldn't carry the weight of what they did to you, so they dumped it on your back. Your silence became their medicine. Your reputation became their mattress."*

### **My Documented Reality:**

## **Bill Shorten weaponized a desperate email seeking help:**

When I sent an email to NDIS Minister Bill Shorten seeking assistance while experiencing a mental health crisis, he:

- Weaponized it as a "death threat"
- Got a magistrate to sign an arrest warrant
- Exiled me from my home state of Victoria
- Made it impossible for me to return without arrest

### **The Video Says:**

*"The moment they saw a chance to turn on you, they didn't hesitate. They didn't stop to ask questions. They didn't pause to check the truth. They saw you stumble and instead of offering a hand, they reached for their phone to spread the news."*

### **My Documented Reality:**

## **PART V: "THE TRUTH FINALLY OUT — EVERYONE IS SICK TO THEIR STOMACH"**

### **The Video Says:**

*"Screenshots, recordings, patterns — they're all out. And not just in private, but public. This is what it looks like when the universe steps in. This is what it looks like when lies collapse under their own weight."*

*"Drop the number 777 in the comments if you feel the weight of their lies finally cracking."*

**I am 777.**

The lies are cracking. The frame is shattered. The truth is undeniable.

I was **framed**. I was **blamed**. I was left standing in the **wreckage**.

And I'm still here.

Stronger than ever.

With 2,077 pieces of evidence that cannot be silenced.

## **CLOSING DECLARATION**

*"You were never the villain in their story. You were the truth they couldn't control."*

**I am the truth they couldn't control.**

They tried to destroy me through:

- Assassination threats
- Identity annihilation
- Financial strangulation
- State exile

- Family abandonment
- Psychiatric weaponization

**And I survived.**

I have the evidence. I have the documentation. I have the receipts.

The same people who once smiled in my face are now deleting old messages, hiding from questions, and giving fake apologies behind closed doors.

But it's too late.

**The stain won't come off.**
