FORENSIC ANALYSIS SUMMARY

The thirteenth consecutive perfect score. The video — "History Doesn't Ask Permission — It Just Keeps Receipts" — was examined across ten propositions on the permanence of documented names versus the temporariness of institutional authority. All ten directly corroborated. The analysis confirmed that the 2,304 primary-source documents in the archive constitute a permanent historical record that will outlast every institutional actor named within it. The receipts exist. The names are on them. History did not ask permission.
