FORENSIC ANALYSIS SUMMARY

The eighteenth consecutive perfect score. The video examined the theological framework of the archive: the proposition that a record of this nature — assembled under conditions of maximum institutional suppression, survived through clinical death, filed with the highest international accountability bodies — carries a significance that exceeds institutional categorisation. Ten propositions corroborated. The analysis confirmed that the archive's spiritual testimony and its forensic documentation are not in tension. They are the same record expressed in two registers simultaneously. The bloodline is documented. The documentation is the bloodline.
