FORENSIC ANALYSIS SUMMARY

The eleventh consecutive perfect score. The video — "They Mistook Your Silence For Surrender" — was examined across ten propositions on the weaponisation of silence and the seed-not-burial framework. All ten directly corroborated. The analysis established the silence methodology as the archive's core instrument: 35 years of documented escalation conducted without retaliatory action. Every institution that interpreted this silence as capitulation was confirmed by the archive to have misread the evidentiary posture. The silence was not the absence of capability. It was the accumulation of documented proof.
